RECOGNIZING THE 125TH ANNIVERSARY
OF THE SYRACUSE BOYS
AND GIRLS CLUBS

HON. JOHN KATKO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, April 23, 2018

Mr. KATKO. Mr. Speaker, I rise today to recognize the 125th anniversary of the Boys and Girls Clubs of Syracuse in my district.

Since 1892, the Boys and Girls Clubs of Syracuse has been serving Syracuse children of all races, religions, and socioeconomic backgrounds. While the program began as simply the "Boys' Evening Home" in the May Memorial Church in Syracuse, it has grown extraordinarily in the last 125 years.

Following World War I, membership continued to grow exponentially, resulting in several relocations and expansions until the Club found its permanent home at 430 East Genesee Street. By the late 1940s, the Club had expanded to a total of three branches to accommodate its 6,000 members. In 1990, the Club changed its name to the Boys & Girls Club of Syracuse. After many years of welcoming girls into the organization, it only seemed proper to finally change its name.

Today, the Boys and Girls Clubs of Syracuse has four clubhouses and two school-based sites, which provide a variety of programs for the children of Syracuse. Serving over 1,000 members annually, the Boys and Girls Clubs of Syracuse enables children in

our community to realize their potential and become productive and prospering members of our society.

The Boys and Girls Clubs of Syracuse will always ensure that every child has access to a safe environment after school with caring adults. The work that they do provides an incredible benefit to Central New York, allowing parents to work hard without having to worry about the safety of their children.

It is my distinct honor to recognize the Boys and Girls Clubs of Syracuse on 125 years of great success.

CELEBRATING THE 100TH BIRTHDAY
OF MRS. GRACE MILROY

HON. ROD BLUM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 23, 2018

Mr. BLUM. Mr. Speaker, I rise today to honor the 100th birthday of a veteran, artist, neighbor, wife, mother, and grandmother, Grace Milroy of Vinton, Iowa.

Mrs. Milroy has a family of four children, ten grandchildren, and nine great-grandchildren to celebrate this special day with her. She is a family oriented woman who was married for 68 years to Boyd Milroy, and together they made a beautiful family and life.

During World War II, she was stationed in Washington, D.C. working in the Office of Correspondence. Beginning in 1942 until the end of the war, she wrote letters to families that no family hoped to receive. The letters, unfortunately, were to inform the families that their loved ones in the service would not make it home. The most memorable she described was to the parents of a chaplain who was killed in action. While it was a tiring endeavor, she understood the importance of each letter and wrote as much information as the rules would allow to all recipients.

After the war, she returned to Iowa where she attended college and met her husband. She was an artist in her free time, creating cross stitch projects and quilts. She even won awards for her exemplary work, and her family describes Grace as independent and hard-working. I'm proud to be able to say Happy 100th Birthday to this amazing woman, Mrs. Grace Milroy.
